

Doral Chamber of Commerce

Dear Business Owner or Manager:

How would you feel if you could get more sales and greater profits? You've probably heard that a chamber of commerce can do wonders for your business! But have you ever seen a chamber that has practical programs that really help you fulfill your vision? The Doral Chamber of Commerce is that kind of chamber.

We make a commitment to help you grow your business! It starts by joining our family at the Doral Chamber of Commerce and taking advantage of our practical programs.

These are a few of the major enhancements that we have made in order to help your business:

1. **Enhancing Member Services and Support** through major upgrades in our website, database (exclusively used for business matchmaking purposes), servers, and solutions to better manage our day-to-day operations.
2. **Workshop/Seminar Programs:** This past year we've redefined our professional development product offerings by adding new key delivery platforms such as workshops and seminars designed to train executives, entrepreneurs in **Social Media, SEO, Internet Marketing, Marketing and Sales, QuickBooks and other Corporate Business Development courses.**
3. **Increase the influence and reach of the international trade community** with initiatives such as the newly created International Trade Missions Program (ITMP). ITMP provides businesses the opportunity to directly participate in foreign trade missions, one-on-one business matchmaking meeting appointments, monthly luncheons, trade show, and seminars where community leaders and professionals can address the members/affiliates and their guests on topics related to their fields.

Reach out to us. Join the Doral Chamber of Commerce. Let us help you grow your business!
